Apply for Admission: You can complete a paper application or you can apply online 24 hours a day at kctcs.edu.

Send official transcripts from your high school or any college you have attended to the Admissions Office.

Process

Attend Orientation: Once you've applied for admission, you'll receive an acceptance letter from us that will ask you to call and schedule an orientation date. Orientation is required for all first time students and it will answer many of your questions.

six step Enrollment

Meet with an Advisor/Placement Testing: After orientation, you will have the opportunity to schedule an appointment with an academic advisor. Your advisor will guide you through the process for choosing your classes and registering. During your advising session you may also take the COMPASS.

Pay: At this point you need to pay your tuition and fees. You can do this through the mail, in person or online.

Attend Classes: It's now time to start your future! Good luck and we're happy to have you!

In addition to these steps, you should also apply for Financial Aid: You can apply for aid before OR after you are admitted to the college, and there are financial aid resources available to help make college more affordable for every student. You can apply online at fafsa.ed.gov or you can contact our Financial Aid Office.
